

## Ficha técnica KS-WSG8

Designation: KS-WSG8 maintenance unit consisting of filter control and connection accessories for ionization guns

### Technical specifications

scope of application	To extend the service life of the ionization needles, ionization compressed air guns should only be operated with clean air
Key Features	Modular filter regulator Filter unit for particles 5 µm maximum operating pressure 1.0 MPa Ambient temperature 0 to 60 ° C Connection thread for 1/4 "or 3/8"
Dimensions	L x diameter 201 x 53 mm Weight approx. 400 g
Design / execution	with secondary ventilation
scope of delivery	Filter regulator with connection accessories and fastening material
